This unique adventure starts with a short boat ride to the famous Alexandria Dune field; the largest, most impressive and least degraded dune field in South Africa. No matter if you're a beginner or a seasoned sandboarder; our guides will have you moving down the dunes like a pro in no time.

We offer 2- or 3-hour sandboarding tours which give everyone more than enough time to learn some new skills and have a great time while doing it. And if you don't feel confident on the stand-up board, you can sit down or try a belly-board ride down the dune.

We supply the sandboarding equipment but please remember to bring along your own sneakers/ tekkies, loose-fitting clothes, swimming gear, drinks, sunglasses and cameras
